

## **2nd ICF MENA Coaching Conference - 18/19 October 2023**

The 2nd ICF MENA Coaching Conference will be powered by ICF Oman Chapter under the theme: Coaching: Impacting the Future (The theme was selected by ICF Oman Chapter Members).

Ten ICF Oman Coaches volunteered to support the Conference Committee Members in their efforts. The Conference will be held on 18th & 19th October 2023 in Crowne Plaza Muscat in Qurum.

ICF Middle East Prism Awards will also be hosted by ICF Oman Chapter.

## **Collaborations**

- ICF Oman Chapter's initiative with Lahunna Oman started to bear fruit with 21 ICF Oman Coaches volunteering to coach the participants in the program and volunteers working on the program offering a whopping 1,378 hours of coaching – unfortunately all that is needed is 260 hours. The first briefing session with the coaches was scheduled for 29th May and the briefing session with the candidates in Batch 1 was held on 21st June 2023.
- ICF Oman Chapter has also been working with OPAL to support its members to avail the service of ICF Oman Coaches through its platform of services. Once the work on logistics is completed, this will enable ICF Oman Coaches to receive requests for proposals for coaching through OPAL and offer coaching to OPAL's member organizations that contribute towards 80% of Oman's GDP.

### Did you know?

The ICF Reciprocal Peer Coaching program creates opportunities for professional growth and is accessible to all ICF Members. By coaching an ICF coach, you can receive coaching from another ICF coach. In addition to investing your time in offering coaching and being coached, you will only need to pay a nominal coordination fee for the program to match you with a coach and client and to monitor each reciprocal peer-coaching relationship.
